

6301329 FLASHY FOIL DYE KIT INSTRUCTIONS

EGG DECORATING INSTRUCTIONS

Preparation:

- Use cool hard-boiled eggs.
- Cover work area with newspaper or waxed paper.
- Fill cups or glasses with 1/2 cup of warm water.

To Color Eggs:

- Place one tablet in 1/2 cup of warm water and add 3 tablespoons vinegar. Stir until dissolved. (For pink tablets use water only!)

Helpful Dye Hints:

- Add 1 tbsp. of water to container. Drop tablet in water for color confirmation.
- Add vinegar (tablet will dissolve quicker).
- Add remaining water to container.
- Place egg in container until desired shade is obtained. For brighter color, leave egg in container longer. Use egg dipper to remove colored egg. Drain well, set aside to dry. Allow egg to completely dry before decorating.

Foil:

- Apply double sided adhesive sticker to dry egg.
- Remove top layer of sticker.
- Flash foil sheet over sticker and rub foil over the sticker. (Shiny side of foil face up).
- Lift foil sheet from sticker. Foil remains on sticker.
- Try two foils on one design!

See packaging for more decorating ideas.

**Allow refrigerated, colored eggs to dry before handling.
Condensation may cause colors to smear.**

Caution: Children must be supervised.
